Bridging the Gap is a program through **Alcoholics Anonymous** that helps individuals leaving a correctional or treatment facility become acquainted with A.A. and attend meetings in your **area** after their release.

Requesting to be a Temporary Contact. A temporary contact is an A.A. member helps the new member bridge the gap between the facility and Alcoholics Anonymous in their community. The arrangement is strictly temporary. The volunteer agrees to accompany the new member to up to six meetings after their release, helping them connect with A.A. members and become familiar with meetings in their area.
